COMMUNITY LIVING
Central York 

SUMMER CAMPS

July 6-10 | Art Explosion

A week of creativity and self-expression where participants explore a variety of art forms in welcoming, inclusive spaces. Through hands-on projects inspired by nature, individuals with diverse abilities are encouraged to express their unique interests, build confidence, and share their creativity with others.

July 13-17 | Employment Readiness Camp

This empowering week supports participants on their employment journey through a blend of classroom learning and real-world experiences. Participants build practical employment skills, practice independence through daily York Region Transit training, and explore volunteer and workplace settings. The employment readiness camp focuses on enhancing informed choice, confidence, and community connection.

July 20-24 | Sports: Play Your Way

Movement, fun, and choice are at the heart of this week. Participants explore a variety of sports and physical activities at local community facilities within York Region. The focus is on teamwork, wellness, confidence, and discovering what activities they find most enjoyable, at their own pace and in their own way.

July 27-31 | Animal Lovers Week

This week celebrates connection, empathy, and learning through meaningful experiences with animals. Participants engage in inclusive community spaces such as local zoo visits, pet therapy sessions, and animal-themed activities that encourage curiosity, emotional connection, and shared joy.

August 10-14 | Music & Movement Week

An expressive and joyful week where participants explore rhythm, sound, and movement through drumming circles, beginner guitar lessons, and a variety of dance styles. Activities support self-expression, social connection, and having fun together in a supportive environment.

August 17-21 | Outdoor Adventure Week

Participants connect with nature and their community through accessible outdoor adventures, including hikes, obstacle courses, creative nature crafts, and exploration at Bruce's Mill in Stouffville, as well as other conservation areas within York Region. This week promotes well-being, confidence, and a sense of belonging in shared outdoor spaces.

August 24-28 | Cooking Without Limits

A hands-on, skill-building week focused on independence and everyday living. Participants will develop important life skills on how to plan meals, shop for groceries, practice budgeting and money skills, and get the opportunity to prepare a new recipe each day. This week focuses on building confidence, choice, and pride through shared cooking experiences.

STANDARDS

MADE FOR ALL
LIFE STAGES

HIGHER STANDARDS. BETTER NUTRITION. HEALTHIER PETS.

- ✓ Minimally processed
- ✓ No meat meals or by-products
- ✓ No artificial additives or preservatives
- ✓ Complete & balanced for all life stages

HUMAN GRADE IS NOT A SLOGAN.

It's our standard. Every ingredient is provincially inspected, meaning it's safe, clean, and worthy of the human food chain.

Pets deserve the same standards as the families who feed them.

OUR STORY

Vivienne & Beau

We're pet parents just like you.

We created Carnevore Mountain to give pets the real food they deserve—and to make it easy for others to do the same.

BENEFITS OF REAL FOOD & TREATS

BETTER DIGESTION
Real, whole ingredients are easier to digest and absorb.

HEALTHIER SKIN & COAT
Nutrient-rich food supports a shiny coat and healthy skin.

STRONGER IMMUNE SYSTEM
Proper nutrition helps support long-term health and vitality.

MORE ENERGY & VITALITY
Real food fuels active, happy lives.

Smile Shield Sports Plan

Athletes wear helmets, pads and gear to stay safe.
Their smile deserves protection too.

Our Smile Shield Sports Plan makes it easy to keep athletes protected all year long with custom sports mouth guards designed for comfort, performance and safety.

Why A Custom Sports Mouth guard

- Superior protection vs. boil and bite brands
- Comfortable custom fit
- Easy to breathe and talk during play
- Designed for your athlete's smile

Plan Benefits - Only \$129/Year

- 2 custom guards per year
- Team colours available
- Free adjustments for fit
- \$45 replacement guards
- Durable storage case included

Perfect for Growing Athletes!

Kids grow quickly, and mouth guards can get lost, chewed, or outgrown. The Smile Shield Plan ensures your athlete always has a properly fitting guard ready for the season.
