

Aurora Chamber of Commerce Golf Day Sponsorship

Tuesday, September 22, 2020 Westview Golf Club, Aurora

This year's Aurora Chamber of Commerce Golf Day will be a little different, although it will still be held at one of our finest local member golf courses with staggered start times to respect the COVID-19 restrictions. Participants include business leaders in the community, chamber members and their guests. The focus of the day is all about having fun and making connections.
